Site reference 200
Majors Fold

Objection.

I submit this objection to this land being included in the LP and being used for development based on:

Impact on environment.
Greenfield parcel of land.
Impact on highways.
Flooding - evidence has already been provided during previous objection.
Housing in Dudley has obtained it's quota.

This land has already been refused planning permission and needs removing from the Dudley Plan. There are many questions as to how a green field was included on this plan initially. This land remaining on available sites register is causing many local residents stress and anxiety.

Regards
