Two housing estates have been built and a third is in progress at the moment. While we all see the need for more housing the council do not take into account the road infrastructure in this area. The traffic on Tansey Green road and Pensnett road is horrendous and the current development is not completed yet. I have lived here 55 years and I am beginning to think I will be housebound once it is finished. I am also concerned that there are no extra facilities for schools or doctors being put in place.
