Dear Sir,

Re: Dudley Local Plan
Ketley Quarry, Kingswinford.

We are very concerned about the number of houses included in plan for Kingswinford and surrounding area.

Main Concerns:-

Traffic - in all areas, the amount of time spent on journeys due to congestion
Pollution.

Leisure / Exercise | Sadly lacking, places to walk few and far between.

Schools/
Hospitals/
G.P.s.

Already overstretched

To say Dudley Boro. need more housing is condemning future generations to a poor quality of life in this area.

These developments will attract people from outside of borough, adding to existing problems.

Yours faithfully
