Dear Dudley Council,

Please see the objection below from Adam Blackford regarding Site ref: 87 (Land off Ruiton St/ Colwall Rd Gornal)

It will be highly appreciated if this can be acknowledged and the objection can be registered.

I can confirm that consent has been provided. I have sent letters out to all these residents, who have responded asking me email planning to register their objection for the purpose of publication and representation.

Kind regards,

Marco Longhi MP

Message (submitted): Good Morning, I am contacting you in regard to the letter you sent through about the proposed development on Ruiton Street. Firstly, thank you for bringing this to our attention and for collating our responses to feedback to council. We would formally object to these proposals; on the basis that we just do not have the correct infrastructure to accommodate more residential development. I am certainly not adverse to the development of new homes in the area, but I feel this development will put too much strain on the accessibility and safety of current residence and the local education sites. Ruiton Street is a bus route and is already too narrow to accommodate the traffic flow, with this additional pressure we feel it will cause a lot of problems. We would like to be kept informed of the developments and if there are any plans to significantly develop the infrastructure before anything is agreed. We live on Holloways Street approximately 200yds from the proposed development. Kind Regards, Adam Blackford
