Dear Sir/Madam,

RE LOCAL PLANS FOR PROPERTIES
ON SITE BETWEEN
STOURBRIDGE ROAD AND
CRIMMOND RISE.

I have recently received information about plans for a housing estate on land between our property and properties on Stourbridge Road. Must say I object to these plans.

Firstly from a personal level. We would have properties inches from the top of our back gardens, which would encroach on our privacy.

Secondly the amount of extra traffic trying to access the Stourbridge Road would be horrendous.

As you know the Stourbridge Road is a busy road and has been for years. Perhaps the 'Planning Policy Team' would like to visit the site and I am sure that they would agree with the above mentioned reasons.

Yours faithfully,
