Dear Dudley Council,

Please see the objection below from Stephen Howard regarding Site ref: 87 (Land off Ruiton St/ Colwall Rd Gornal)

It will be highly appreciated if this can be acknowledged and the objection can be registered.

I can confirm that consent has been provided. I have sent letters out to all these residents, who have responded asking me email planning to register their objection for the purpose of publication and representation.

Kind regards,

Marco Longhi MP

Message (submitted): Opposed to planning on colwall road / ruiton street Increased traffic on a busy road at the best of time Increase risk at school times with the already very busy junction Where traffic is constantly blocked already due to increased traffic Lack of discussion and interaction with residents on this matter Would like to see the proposed building layout of the housing and positioning as if they are putting houses facing stickley lane that will cause

excessive problems with parking and people accessing said properties But this is not an ideal place due to its location and the already busy junction with buses and children
