Dear Dudley Council,

Please see the objection below from Hayley Gonderton regarding Site ref: 408 (Holloway Street West, Gornal).

It will be highly appreciated if this can be acknowledged and the objection can be registered.

I can confirm that consent has been provided. I have sent letters out to all these residents, who have responded asking me to email planning to register their objection for the purpose of publication and representation.

Kind regards,

Marco Longhi MP

Message (submitted): Re: Potential housing development off Holloway Street West, Gornal (site ref:408) I wish to make an objection to this potential housing development to prevent further damage to the already existing road system leading to said development. While Holloway Street itself is a normal sized road, Vale Street, Hill Street & Hermit Street all suffer from being narrow, poorly maintained & heavily used for parking. Ruiton Street is narrow and poorly maintained and the estate encompassing Stickley Lane is also narrow, poorly maintained and suffers with parking issues. Another new development will just make things worse, unless surrounding roads/parking can be improved.
