Good afternoon,

Thank you for your email.

Can you confirm if you are making a representation to the Draft Dudley Local Plan? If so, could you confirm whether your wish to support, object or comment on **Policy DLPBHPS2 The Embankment/ Daniels Land?**

Regards,

Development Control

I refer to that untouched by human hand or foot for decades, Daniels Land at Merry Hill SC. Certainly, an important nature reserve that is deserving of an ecological survey to determine its value - so says English Nature in their email,

wanting me to do it! Possible Great Crested newts, as are found a mile up the road at Fens Pool Nature Reserve and SSSI.

FOR FoI officer, please: Who is your officer qualified to do an ecological survey of the wetland habitat in the photos, below?
