Dear Dudley Council,

Please see the objection below from Linda Ann Markham regarding Site ref: 200 (The Straits/Majors Fold, Lower Gornal)

It will be highly appreciated if this can be acknowledged and the objection can be registered.

I can confirm that consent has been provided. I have sent letters out to all these residents, who have responded asking me to email planning to register their objection for the purpose of publication and representation.

Kind regards,

Marco Longhi MP

Message (submitted): I object to the Potentiial housing development The Straits/Majors Fold, Gornal (Site ref:200) because it is an infringement on the Green Field Space which is one of the reasons for us living in such a nice area for over 40 years. There is also an abundance of wild life at the moment, including Muntjac deer, foxes and bats and fields behind where horses are grazing freely. I also do not feel the road infrastructure would be able to cope with the extra traffic, particularly High Arcal which is still full of pot holes which are opening up again.
