I strongly object to the development, Kingswinford is being used for over development to meet government quotas. Our roads, infrastructure and health care cannot cope.(hardly seems to be a consideration?.).

The access/exit via petrol station is unsuitable and as for the proposed access off Bromley Lane?(this is ill thought out as traffic in school times is already over congested, and even if lights were installed this would only add to the problem.

Agreed more(Affordable)housing is required but this site MUST be scaled down and no access off Bromley lane allowed.

A thought maybe to have a smaller development, a new doctors surgery or a school perhaps.
