Dear Sir

Following the Dudley Local Plan Consultation, the NHS Black Country Integrated Care Board, Estates Team have been liaising with Dudley Council Planning in particular [redacted] who has been of great assistance in this process for a number of years on the former Black Country Plan.

With this in mind we have now completed the Black Country ICB, NHS Primary Care Network and ICB Estates Strategies to include the measures outlined in the aforesaid BCP. We will continue to engage with Dudley Council Planners on the emerging Local Plan and happy share our ICB Estates Strategy with the Dudley team once the ICB Strategy has achieved its final approval.

We are generally supportive of the Local Plan to which I have attached our latest draft Health Care Infrastructure SPD, (we understand the forthcoming change to the SPD process) for your consideration.

Kind Regards
