Dear Dudley Planning Department,

I wish to express my support to maintain Corbett Meadows for public, not-for-private-financial-profit use, As a local green space, site of Importance for Nature Conservation and as an Area of High Historic Landscape Value.

It was donated for public use by John Corbett and it is important to honour this legacy by and for the people of Stourbridge.

It would be shortsighted and inappropriate to sacrifice this 'green lung' for short-term economic private gains.

Thank you for acknowledging this letter and

Good wishes

Yours sincerely

Dr Rainer Klocke
