Dudley Council

22 December 2023

Dear Sir, Madam,

Re: Dudley Local Plan, Regulation 18 consultation, December 2023

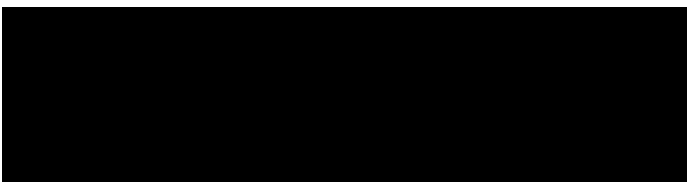

Many thanks for consulting Historic England on this Local Plan. Please find our substantive comments appended to this letter, in Table 1.

We have made representation to the policy wording set out in the Plan and are happy to have a meeting to discuss any questions you may have.

Unfortunately, at this time, we have not had the opportunity to comment on the proposed site allocations other than a general approach. We will assess the sites in the new year and we will then be available to meet with the Council to discuss any issues, if this is convenient.

If you have any questions, please contact us.

Yours sincerely,

Historic England, The Foundry/82 Granville Street, Birmingham, B1 2LH
