I would like to add my voice to those calling for the retention of this valuable green area, and its classification as a Local Green Space.

It is certainly the case that the pressure on land for 'development' is great, but there are yet some 'brownfield' areas to be found around Stourbridge, e.g. next to the Premium Inn on Birmingham road.

The new 'Titan' development shows the kind of thing that is possible on an old industrial site.

Please let us save the Corbett Meadow for the recreation and benefit of all!
