Dear Sir or Madam,

I am writing to you to endorse the SLINC designation and TPO for the Clockfields green space and woodland and would like the Local Green Space designation to be reconsidered as part of the plan.

As my representation for Regulation 19 of the Dudley Local Plan Consultation I would like to express my full support for the designations below for the Clockfields green space and woodland:

- 1) Land at Clockfields SLINC
- 2) Tree Preservation Order TPO/0042/AMB
- 3) Recognition of central designated public open space as Amenity space

I would also like to request that the council reconsiders the decision for a possible Local Green Space designation at the site as submitted during the Regulation 18 consultation and fully support any additional protection measures and policies that could further protect the site for the benefit of the local community and future generations such as Site of Interest for Nature Conservation (SINC). Also to consider the currently unmarked footpath from the end of Culverhouse Drive to the canal to be made a Public Right of Way.
