Dear Dudley Council,

Please see the objection below from [redacted] regarding Site ref: 408 (Holloway Street West, Gornal)

It will be highly appreciated if this can be acknowledged and [redacted] objection can be registered.

Kind regards,

Message (submitted): I do not approve of 24 houses being built on land on holloway Street as in know how much wild life I see when walking to and from work plus I live at the bottom in Thornleigh and we have a problem now with water in bad weather we get flooded more houses would put more pressure on the drainage system plus I thought we were supposed to thinking of the environment and global warming houses beina built and no green spaces does not help the cause
