- | | | | | |
|---|--------------------------|-----|-------------------------------------|----|
| 1. Legally compliant | <input type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| 2. Sound | <input type="checkbox"/> | Yes | <input checked="" type="checkbox"/> | No |
| 3. Complies with the Duty to co-operate | <input type="checkbox"/> | Yes | <input checked="" type="checkbox"/> | No |

(Mark as appropriate)

Q3. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Objection.

It is helpful that Policy DLP32 acknowledges (part 1a) that development is permissible in the Local Nature Recovery Network (LNRN) including in circumstances where it will deliver benefits appropriate to the zone in which it is located. However, the phrasing of the draft policy is somewhat confusing in circumstances where part 1 refers to all development, and part 1a refers to the location of the development within the LNRN, but not all development will be within the LNRN. This might be remedied by adding the words, "if located within the Local Nature Recovery Network" to the beginning of part 1a of the policy.

Q4. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q3. above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Amendment to wording required as suggested.

Continue on a separate sheet if necessary.

Please note: *In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

Q5. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note, that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

Q6. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

The issues raised and nature of objections means that the examining Inspectors would benefit from further oral submissions being made to fully explore the topic.

Please note, the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
