Q5. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note, that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

Q6. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Our client has a significant land interest, and the future of this site, which is located within regeneration Corridor 13, specifically within allocation H13.26, will play a fundamental and integral role in helping the council meet its waste recycling and employment needs as well as delivering the wider sustainability and economic objectives set out with the Plan. The submissions are also reflective of our client's intentions to pursue an application for permanent and enhanced permission on this site during the course of 2025. We therefore wish to attend the hearings to make oral submission, respond to the Inspector's questions and to the Council's case.

Please note, the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
