CAUTION: This email originated from outside of the council. Do not click links or open attachments unless you are sure the content is safe.

My name is [REDACTED] I have concerns about the development of housing in Ketley fields. I have attended meetings and no one has been able to reassure me that there is enough spaces at local school and GP surgery for the size of the development. I also asked about green spaces and again no answers. Green space is really important for physical and emotional well being. Whilst I understand that housing is needed I believe that the number should be restricted unless there is an infrastructure to support it. Please

check Bromley Lane at 3.25 on a weekday, absolute bedlam with taxis trying to get into the Briar school and parents picking their children up from the two other schools. [REDACTED]
