| Site | | Policy Map | |

Responses can address any of the Supporting Documents and Evidence by relating them to the resulting paragraph, policy or site in the Dudley Local Plan.

Q2. Do you consider the Local Plan is:

- | | | | | |
|---|-------------------------------------|-----|--------------------------|----|
| 1. Legally compliant | <input checked="" type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| 2. Sound | <input checked="" type="checkbox"/> | Yes | <input type="checkbox"/> | No |
| 3. Complies with the Duty to co-operate | <input checked="" type="checkbox"/> | Yes | <input type="checkbox"/> | No |

Q3. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

Q4. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at Q3. above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

This comment relates to the structural consistency of the subsections of Policy DLP 9

Sections 3 & 4 of the Policy are contingent on the objective stated in DLP 9 part 2, so they should read as:-

'2. Existing primary and secondary healthcare infrastructure and services will be protected, unless it can be demonstrated that:

a) The loss of the existing facility has a satisfactory replacement, or,

b) Where healthcare facilities are declared surplus or identified as part of an estates strategy or service transformations plan where investment is needed towards modern, fit for purpose infrastructure and facilities, there will be no requirement to retain any part of the site in a healthcare use.'

Sections 5 - 8 would then be renumbered 3 - 6.

Continue on a separate sheet if necessary.

Please note: *In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.*

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

***Please note**, that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.*

Q6. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

***Please note**, the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
